Case No. 13-cr-30199-DRH

REPORT and RECOMMENDATION

The United States of America and the Defendant having both filed a written consent, appeared before me pursuant to Federal Rule of Criminal Procedure 11 and SDIL Rule 72.1(b)(2). Pursuant to Federal Rule of Criminal Procedure 7(b), the Defendant was advised of the nature of the charge and his rights, and the Defendant waived his right to prosecution by indictment.

The Defendant entered a plea of guilty to the sole Count of the Information. After cautioning and examining the Defendant under oath concerning each of the subjects mentioned in Rule 11, I determined that the guilty plea was knowing and voluntary, and that the offense charged is supported by an independent factual basis containing each of the essential elements of such offense.

I therefore recommend that the plea of guilty be accepted, that a presentence investigation and report be prepared, and that the Defendant be adjudicated guilty and have sentence imposed accordingly.

DATED: September 17, 2013.
